### A Partnership For The Face

Dr. David Lieberman and Dr. Sachin Parikh form a partnership of award-winning and board certified surgeons specializing exclusively in facial cosmetic rejuvenation and facial reconstructive surgery. The practice offers the full complement of facial aesthetic care, including comprehensive skin care, injectable treatments, Ultherapy, and facial aesthetic surgery such as facelifts, eyelid surgery, and rhinoplasty. Drs. Lieberman and Parikh know a natural-looking result does not happen by accident, but requires the best technique available. It is their goal to provide unparalleled service and results, every day, for every patient.
